

The Prancing Pony Podcast Presents **Why We Love Middle-earth** Shawn E. Marchese and Alan Sisto

About the Book

Why We Love Middle-earth is a guidebook for those delving deeply into Middle-earth for the first time, or seeking their own entry point into Tolkien fandom. Each chapter introduces a different book, adaptation, or fan interest from language to collecting and beyond, drawing readers deeper into Middle-earth as they read along with us.

About the Authors

Shawn E. Marchese and Alan Sisto are the co-founders of The Prancing Pony Podcast, a podcast about J.R.R. Tolkien's Middle-earth legendarium reaching over 13,000 listeners a week, and winner of the Tolkien Society Award for Best Online Content in 2022 and 2020. In 2022, they launched The Rings of Power Wrap-up, which focuses on the Amazon adaptation *The Lord of the Rings: The Rings of Power*.
